Biographical Information

Christian Davies-Venn recently retired as Vice President and Chief Engineer of PEER Consultants. He has a Bachelor of Civil Engineering degree from the University of Sierra Leone, and his M.S. and Ph.D. degrees in Environmental Engineering from the University of Cincinnati and the University of Arkansas, respectively. He is an Adjunct Professor at the Johns Hopkins University Whiting School of Engineering and a past president of the American Academy of Environmental Engineers and Scientists. He is also an active member of the Water Environment Federation (WEF) and the Federal Water Quality Association (FWQA) and is a member of the FWQA's Scholarship Committee.

Claudio Ternieden is the Senior Director for Government Affairs at Water Environment Federation (WEF) and directs WEF's legislative and regulatory efforts in Washington, DC. Claudio oversees policy development and implementation in the water sector on issues such as reuse, resource recovery, workforce, infrastructure funding, green infrastructure, technology transfer and innovation. Claudio has led research efforts at the Water Environment Research Foundation (now the Water Research Foundation); contributed to the development of federal regulations at the U.S. Environmental Protection Agency and the development and implementation of water quality standards in the State of Indiana. Claudio has a law degree from Pace University School of Law (White Plains, NY), a Master's Degree in Public Policy from George Mason University (Arlington, VA), and a BA in History from Concordia College (Bronxville, NY).

Tessa Roscoe has a BS from the University of Maine in her home state and an MS from Carnegie Mellon University, both in Civil and Environmental Engineering. She has an additional MS from CMU in Engineering and Technology Innovation Management. She moved to the DC area to start work for Eastern Research Group (ERG) in their Chantilly office at the start of 2016 and specializes in wastewater treatment. She currently serves as the Vice President of Engineers Without Borders-Northern Virginia Professional Chapter (EWB-NOVA) in addition to being the Young Member Liaison for FWQA.

Sharon Nye recently retired from her position as a research analyst with the Water & Wastewater Equipment Manufacturers Association (WWEMA) where she worked for 24 years, assisting the president in a variety of legislative and regulatory issues. She remains active in the water industry in many capacities, and is an active volunteer and science fair judge in Loudoun and Prince William Counties. Sharon has served as Secretary for the Federal Water Quality Association for several terms and also serves as head of the Scholarship Committee. She is a recipient of the 5S award and the Hatfield Award.
